<b>Targeted Inmate/Resident/Detainee Interviews</b>	
<b>39. Enter the total number of TARGETED INMATES/RESIDENTS/DETAINEES who were interviewed:</b>	20
<p>As stated in the PREA Auditor Handbook, the breakdown of targeted interviews is intended to guide auditors in interviewing the appropriate cross-section of inmates/residents/detainees who are the most vulnerable to sexual abuse and sexual harassment. When completing questions regarding targeted inmate/resident/detainee interviews below, remember that an interview with one inmate/resident/detainee may satisfy multiple targeted interview requirements. These questions are asking about the number of interviews conducted using the targeted inmate/resident/detainee protocols. For example, if an auditor interviews an inmate who has a physical disability, is being held in segregated housing due to risk of sexual victimization, and disclosed prior sexual victimization, that interview would be included in the totals for each of those questions. Therefore, in most cases, the sum of all the following responses to the targeted inmate/resident/detainee interview categories will exceed the total number of targeted inmates/residents/detainees who were interviewed. If a particular targeted population is not applicable in the audited facility, enter "0".</p>

<p><b>Specialized Staff, Volunteers, and Contractor Interviews</b></p>

## SITE REVIEW AND DOCUMENTATION SAMPLING

### Site Review

PREA Standard 115.401 (h) states, "The auditor shall have access to, and shall observe, all areas of the audited facilities." In order to meet the requirements in this Standard, the site review portion of the onsite audit must include a thorough examination of the entire facility. The site review is not a casual tour of the facility. It is an active, inquiring process that includes talking with staff and inmates to determine whether, and the extent to which, the audited facility's practices demonstrate compliance with the Standards. Note: As you are conducting the site review, you must document your tests of critical functions, important information gathered through observations, and any issues identified with facility practices. The information you collect through the site review is a crucial part of the evidence you will analyze as part of your compliance determinations and will be needed to complete your audit report, including the Post-Audit Reporting Information.

<b>64. Did you have access to all areas of the facility?</b>	<input checked="" type="radio"/> Yes <input type="radio"/> No
<b>Was the site review an active, inquiring process that included the following:</b>	
<b>65. Observations of all facility practices in accordance with the site review component of the audit instrument (e.g., signage, supervision practices, cross-gender viewing and searches)?</b>	<input checked="" type="radio"/> Yes <input type="radio"/> No
<b>66. Tests of all critical functions in the facility in accordance with the site review component of the audit instrument (e.g., risk screening process, access to outside emotional support services, interpretation services)?</b>	<input checked="" type="radio"/> Yes <input type="radio"/> No
<b>67. Informal conversations with inmates/residents/detainees during the site review (encouraged, not required)?</b>	<input checked="" type="radio"/> Yes <input type="radio"/> No
<b>68. Informal conversations with staff during the site review (encouraged, not required)?</b>	<input checked="" type="radio"/> Yes <input type="radio"/> No

<p><b>69. Provide any additional comments regarding the site review (e.g., access to areas in the facility, observations, tests of critical functions, or informal conversations).</b></p>	<p>No text provided.</p>
--	--------------------------

**Documentation Sampling**

Where there is a collection of records to review-such as staff, contractor, and volunteer training records; background check records; supervisory rounds logs; risk screening and intake processing records; inmate education records; medical files; and investigative files-auditors must self-select for review a representative sample of each type of record.

<p><b>70. In addition to the proof documentation selected by the agency or facility and provided to you, did you also conduct an auditor-selected sampling of documentation?</b></p>	<p><input checked="" type="radio"/> Yes <input type="radio"/> No</p>

<p><b>71. Provide any additional comments regarding selecting additional documentation (e.g., any documentation you oversampled, barriers to selecting additional documentation, etc.).</b></p>	<p>No text provided.</p>

**SEXUAL ABUSE AND SEXUAL HARASSMENT ALLEGATIONS AND INVESTIGATIONS IN THIS FACILITY**

**Sexual Abuse and Sexual Harassment Allegations and Investigations Overview**

Remember the number of allegations should be based on a review of all sources of allegations (e.g., hotline, third-party, grievances) and should not be based solely on the number of investigations conducted. Note: For question brevity, we use the term “inmate” in the following questions. Auditors should provide information on inmate, resident, or detainee sexual abuse allegations and investigations, as applicable to the facility type being audited.

**72. Total number of SEXUAL ABUSE allegations and investigations overview during the 12 months preceding the audit, by incident type:**

	# of sexual abuse allegations	# of criminal investigations	# of administrative investigations	# of allegations that had both criminal and administrative investigations
<b>Inmate-on-inmate sexual abuse</b>	1	0	1	0
<b>Staff-on-inmate sexual abuse</b>	3	0	3	0
<b>Total</b>	4	0	4	0

**73. Total number of SEXUAL HARASSMENT allegations and investigations overview during the 12 months preceding the audit, by incident type:**

<b>Inmate-on-inmate sexual harassment</b>	0	0	0	0
<b>Staff-on-inmate sexual harassment</b>	5	0	5	0
<b>Total</b>	5	0	5	0

## Sexual Abuse and Sexual Harassment Investigation Outcomes

### Sexual Abuse Investigation Outcomes

Note: these counts should reflect where the investigation is currently (i.e., if a criminal investigation was referred for prosecution and resulted in a conviction, that investigation outcome should only appear in the count for “convicted.”) Do not double count. Additionally, for question brevity, we use the term “inmate” in the following questions. Auditors should provide information on inmate, resident, and detainee sexual abuse investigation files, as applicable to the facility type being audited.

#### 74. Criminal SEXUAL ABUSE investigation outcomes during the 12 months preceding the audit:

Through nine informal and 40 formal interviews with inmates and two informal interviews 20 formal interviews with staff, two interviews with volunteers, two interviews with contractors, review of inmate and personnel files, review of facility and agency protocols and a facility tour, it is evident that this facility interweaves requirements of PREA in their daily protocols. Both inmates and staff could speak to facility PREA practices and protocols being used as is described in the agency's Sexual Assault/Abuse Policy. The PREA Compliance Manager could attest to having the necessary time to complete their PREA responsibilities.

The interview with the Captain / PREA Coordinator demonstrated oversight of PREA Compliance Managers is conducted through informational emails, scheduled meetings, informational memorandums, FAQ updates, mock audits and onsite visits from PREA and Regional personnel.

Interviews with inmates generated the following unsolicited positive comments regarding the facility and facility personnel.

- Feel very safe here (multiple inmate responses when asked when considering sexual safety, do you feel safe here.)
- I absolutely feel safe here and staff are respectable
- Most definitely feel safe, and I have no issues whatsoever
- Good about getting us the phone whenever we ask
- I am respected by my peers and staff regardless of how I identify
- Been here for 17 years, never had a problem
- Used to be a lot of fights here but things have toned down here
- I have no worries, period

Interviews with staff generated the following unsolicited positive comments.

- We respect them and do our best to give them their privacy while changing and

showering

- We take all allegations seriously and are sure certain individuals are not housed with aggressive inmates
- We make sure they are comfortable reporting to us or find someone they are comfortable reporting to

Site Observation:

During the tour of the facility, yellow audit notices and standardized PREA postings were observed on bulletin boards with only PREA information. Throughout the facility, PREA information posted included the Zero Tolerance, Reporting the Facts flyers in both English and Spanish. In addition, contact information for the agency PREA hotline and Ombudsman contact information was observed to be posted near inmate phones.

(a) The Tecumseh State Correctional Institution PAQ states the agency Safe Prisons/PREA Plan mandates zero-tolerance toward all forms of sexual abuse and sexual harassment in the facility it operates and those directly under contract.

Nebraska Department of Correctional Services, Sexual Assault/Abuse Policy 203.11, page 5, section 1. A. 1., states, "NDCS will seek to enhance the prevention of prison sexual abuse/assault and sexual harassment by maintaining a zero-tolerance standard for all sexual assault/abuse and sexual harassment on and by inmates. Protecting inmates and safeguarding communities of prison sexual assault/abuse and sexual harassment is a top priority."

(b) The Tecumseh State Correctional Institution PAQ states the agency employs or designates an upper-level, agency-wide PREA Coordinator. The position of the PREA Coordinator in the agency's organizational structure is the PREA Captain.

The facility provided a Nebraska Department of Correctional Services Organizational Chart. The organization chart demonstrates the PREA Captain is in the agency organizational structure and reports directly to the Assistant Deputy Director Intelligence & Investigations who reports directly to the agency Director.

(c) The Tecumseh State Correctional Institution PAQ states the facility has designated a PREA Compliance Manager. The PREA Compliance Manager has

	<p>sufficient time and authority to coordinate the facility's efforts to comply with the PREA standards.</p> <p>The facility provided a Tecumseh State Correctional Institution Organizational Chart demonstrating the Captain who serves as the PREA Compliance Manager reports directly to the Security Administrator/Major.</p> <p>Through such reviews of staff and inmate awareness, posted PREA information posted on standardized bulletin boards throughout the facility, the facility exceeds the standard requirements.</p>

The Sergeant stated rounds start in a new location at different times each day. The Sergeant explained rounds can be completed through the electronic PIPE system or documented as ‘Area Checks’ with the time and his initials or signature, in unit logbooks.</p>

The interview with the Warden demonstrated that the facility reviews a 'Daily Pull List' to ensure adequate coverage is available in all areas of the facility.

Site Observation:

Multiple unannounced rounds were observed in unit logbooks, entered in red ink by Sergeants, Lieutenants, Captains and other administrative personnel. Cross-gender announcements were observed during the onsite review.

Recommendations:

Many cell doors were found to be open during dayroom hours, allowing for vulnerable and aggressive inmates to be isolated in cells. Facility response:

- TSCI is focusing attention and efforts on ensuring cell doors are secured when not in use.
- A reminder of responsibilities and the need to secure doors is being read at Roll Calls, and team members are being reminded during Team-Within-A-Team meetings and contacts.
- Shift and other supervisors have been instructed to inspect living locations for unsecured cell doors during regular, unannounced rounds.
- The Yard Supervisor directs movement within the facility and instructs Central Control when to announce doors. Both Yard Supervisors and Central Control have been reminded/instructed to ensure hourly doors are being announced to assist enforcement efforts of team members in housing units.

(a) The Tecumseh State Correctional Institution PAQ states the agency requires the facility to develop, document and make its best efforts to comply on a regular basis with a staffing plan that provides for adequate levels of staffing, and, where applicable, video monitoring, to protect inmates against abuse. Since August 20, 2012, or last PREA audit, whichever is later, the average daily number of inmates is 1033. The average daily number of inmates on which the staffing plan was predicated is 1033.

The facility provided a Tecumseh State Correctional Institution Annual Review of Staffing Assignment and Video Monitoring plan. The document documents the following components.

- a. Generally accepted adult correctional institution practice.
- b. Any judicial findings of inadequacy.
- c. Any findings of inadequacy from federal investigative bodies.
- d. Any findings of inadequacy from internal or external oversight bodies.
- e. All components of the facility's physical plant, including blind spots or areas where team members or inmates may be isolated.
- f. The composition of the resident population (i.e.-gender rations, risk/need of residents, physical size, Sexual Aggressive Behavior (SAB), Vulnerability to Victimization (VV).
- g. The number and placement of supervisory staff.
- h. Institutional programs occurring on shifts.
- i. Any applicable state or local laws, regulations or standards.
- j. The prevalence of substantiated and unsubstantiated incidents of sexual abuse.
- k. Any other relevant factors.

The plan is signed and dated by the PREA Compliance Manager, facility Warden and the agency PREA Coordinator.

(b) The Tecumseh State Correctional Institution PAQ states each time the staffing plan is not complied with, the facility documents and justifies deviations. The most common reason for deviating from the staffing plan in the past 12 months was due to staffing levels.

The facility provided a Staffing Deviation Documentation - Incident Report Details report detailing reasons for deviations of the staffing plan, in detail.

(c) The Tecumseh State Correctional Institution PAQ states at least once every year the facility/agency, in collaboration with the PREA coordinator, reviews the staffing plan to whether adjustments are needed in (a) the staffing, (b) the deployment of monitoring technology, or (c) the allocation of agency/facility resources to commit to the staffing plan to ensure compliance with the staffing plan. The facility completes a staffing plan annually to ensure continued compliance with each required element of the staffing plan.

(d) The Tecumseh State Correctional Institution PAQ states the facility requires that intermediate level or higher-level staff conduct unannounced rounds to identify and deter staff sexual abuse and sexual harassment.

Nebraska Department of Correctional Services, Sexual Assault/Abuse Policy 203.11, page 8, section 3., states, "Each facility shall implement a policy and practice of having intermediate-level and higher-level supervisors conduct and document unannounced rounds, on all shifts, to identify and deter team members from sexual abuse/assault and sexual harassment. Specific expectations are detailed in facility written procedures.

Team members are strictly prohibited from alerting other team members that these supervisory rounds are occurring, unless such announcement is related to the legitimate operational functions of the facility.

On an annual basis each facility compliance manager will complete an annual PREA assessment based on data from the previous calendar year. This assessment will be submitted to the captain/PREA coordinator on or before February 1st each year."

The facility provided an email communication regarding PIPE "Memory Buttons" being placed in various locations throughout the facility. The email instructs appropriate facility personnel on the use of the system.

The facility provided a Searchable Digitally Logged Shift Supervisor Rounds report demonstrating multiple location checks completed by the Shift Supervisor throughout the entire shift.

The facility provided a Shift Supervisor's Check sheet demonstrating documented rounds completed, throughout the shift, by Lieutenants and Sergeants.

Through such reviews, the facility meets the standard requirements.

Interviews:

1. Random Inmates
2. Targeted Inmates
3. Corporals
4. Captain / PREA Coordinator

Interviews with inmates demonstrated a significant amount of female staff are making cross-gender announcements when entering housing units. Inmates complained they did not like the 'unisex' searches; however, 35 of 40 inmates formally interviewed demonstrated that searches were completed respectfully by staff. Of the five inmates who did not state yes to this interview questions, two were nonverbal. After discussions with the inmates, the remaining three stated staff were actually doing the search as designed where perhaps other staff were not quite as thorough.

Interviews with male and female Corporals demonstrated they have been educated on pat and safety searches.

The interview with the PREA Coordinator demonstrated the agency current practice for searching transgender inmates is performed by same gender staff as is documented on the transgender driver license and birth certificate.

Site Observation:

During the tour, unisex pat searches were observed to be completed on male inmates and female staff. The search area in the property / intake area was observed to be behind a cell door and clothing is exchanged through the hatch. No cameras cannot view inside the safety search cell. The search area near the visitation area was observed to be three cubicles with a camera overhead. During the onsite review the facility placed large grey rectangles over the search cubicles to ensure female staff could not view inmates during safety searches.

During the tour showers were observed to be near the front of the housing units. Showers are masked with glass blocks to obscure their bodies providing privacy and allowing a secure area.

(a) Tecumseh State Correctional Institution PAQ states the facility does not

conduct cross-gender strip or cross-gender visual body cavity searches of their Inmates. In the past 12 months, zero cross-gender strip or cross-gender visual body cavity searches of inmates.

Nebraska Department of Correctional Services, Sexual Assault/Abuse Policy 203.11, page 8, section E. 1., states, "Team members shall not conduct cross-gender safety searches or cross-gender visual body cavity searches (meaning a search of the anal or genital opening) except in exigent circumstances or when performed by medical practitioners. All cross-gender safety searches and cross-gender visual body cavity searches will be documented in an Incident Report. The report shall be maintained by the facility PREA compliance manager.

(b) Tecumseh State Correctional Institution PAQ states this standard is not applicable as females are not housed at the Tecumseh State Correctional Institution.

(c) Tecumseh State Correctional Institution PAQ states the facility policy requires that all cross-gender strip searches, cross-gender visual body cavity searches, and cross-gender pat-down searches be documented and justified. Policy compliance can be found in provision (a) of this standard.

(d) Tecumseh State Correctional Institution PAQ states the facility has implemented policies and procedures that enable Inmates to shower, perform bodily functions, and change clothing without non-medical staff of the opposite gender viewing their breasts, buttocks, or genitalia, except in exigent circumstances or when such viewing is incidental to routine cell checks (this includes viewing via video camera). Policies and procedures require staff of the opposite gender to announce their presence when entering an inmate housing unit.

Nebraska Department of Correctional Services, Sexual Assault/Abuse Policy 203.11, page 9, section E. 3., states, "In order to enable inmates to shower, perform bodily functions and change clothing without nonmedical team members of the opposite gender viewing their breasts, buttocks or genitalia, except in exigent circumstances or when such viewing is incidental to routine cell checks, all team members of the opposite gender will announce their presence when entering an inmate housing unit. Written notice to inmates shall be posted prominently in all units indicating team members of the opposite gender may be present at any time.

It is also necessary to make a verbal announcement when a team member of the

opposite gender is assigned to work on an inmate housing unit or when a team member of the opposite gender enters an inmate housing unit where inmate sleeping/showering quarters are located. For example, if a female team member is assigned to a male housing unit for the duration of a shift, an announcement at the beginning of the shift is required regarding to that person's presence. When the female leaves the unit and returns an announcement of a female present must be made upon return to the unit. In addition, any time an opposite gender team member who is not assigned to that unit enters an area of the housing unit where inmate sleeping/showering quarters are located, a verbal announcement of their presence must be made. The announcement shall be made in such a manner that is most likely to be heard, such as the intercom system, and shall make it clear that a team member of the opposite gender has entered the unit (appropriate language includes but is not limited to "A male/female team member is on the floor/unit."). In the event of exigent circumstances (i.e., a medical emergency, inmate altercation, inmate/team member assault, etc.) the announcement of cross gender team members is not necessary."

(e) The Tecumseh State Correctional Institution PAQ states the facility has a policy prohibiting staff from searching or physically examining a transgender or intersex Inmate for the sole purpose of determining the Inmate's genital status. Such searches have not occurred in the past 12 months.

Nebraska Department of Correctional Services, Sexual Assault/Abuse Policy 203.11, page 9, section E. 4., states, "NDCS shall not search or physically examine a transgender or intersex inmate for the sole purpose of determining the inmate's genital status. If an inmate's genital status is unknown, it may be determined during conversations with the inmate, by reviewing medical records or, if necessary, by learning that information as part of a broader medical examination conducted in private by a medical practitioner.

(f) The Tecumseh State Correctional Institution PAQ states 100% of security staff at each facility receive training on conducting cross-gender pat-down searches and searches of transgender and intersex Inmates in a professional and respectful manner consistent with security needs.

The facility provided a Nebraska Department of Correctional Services Searches Pre-Services PowerPoint training curriculum. Training components include the following components.

1. Define contraband
2. Explain the purpose of searches

	<ol style="list-style-type: none"> <li>3. Listing the four most common types of searches</li> <li>4. Describe professional conduct during searches</li> <li>5. Interviews:

1. Targeted Inmates
2. Corporals
3. Unit Manager

Interviews with targeted inmates to include one hard of hearing, two cognitive, two disabled and two LEP inmates who used a facility interpreter, demonstrated all but one cognitive inmate stated he had been educated on PREA through staff reading PREA information regarding the agency zero tolerance, ways to report allegations of sexual harassment and sexual abuse and their rights regarding not being sexually harassed, abused and or retaliated against. The cognitive inmate who did not remember being educated was reported to be in the beginning stages of dementia.

Interviews with 12 Corporals demonstrated each were aware inmates could not be used as interpreters and the facility interpreters or the language line would be used for LEP inmates.

The interview with the Unit Manager demonstrated PREA education is provided to inmates within 10-15 minutes of admission into the facility. The Unit Manager stated inmates are handed the education/orientation acknowledgement while staff read inmates information on their rights, retaliation, internal and external reporting options to include third party reporting.

Site Observation:

End the Silence and Zero Tolerance postings in both English and Spanish were observed in each housing unit and inmates were able to demonstrate how PREA information could be accessed on their tablets during the tour.

(a) The Tecumseh State Correctional Institution PAQ states the agency has established procedures to provide disabled inmates equal opportunities to be provided with and learn about the agency's efforts to prevent, detect and respond to sexual abuse and sexual harassment.

Nebraska Department of Correctional Services, Sexual Assault/Abuse Policy 203.11, page 10, section F. 1., states, "Information will be provided in formats accessible to all

inmates, including those who are deaf or hard of hearing, visually impaired or otherwise disabled; those who have intellectual, psychiatric or speech disabilities; as well as to inmates who have limited reading skills and who are limited English proficient.”

The facility provided an Americans with Disabilities Act (ADA) Pre-Service PowerPoint. The PowerPoint includes the following learning objectives.

5. Nebraska Department of Correctional Services, Team Member Selection Policy, dated 7.31.2024

Interviews:

1. Regional Human Resource Manager

The interview with the Human Resource Manager demonstrated that every employee and contractor complete administrative adjudication questions during the hiring process and the agency completes an initial, promotion and five-year criminal background check for each. The Human Resource Manager explained the Central Human Resource office provides the facility a monthly report to ensure background checks are completed within five years of the start of employment and or during the promotion process. The Human Resource Manager stated the facility complete institutional reference checks for applicable applicants and the PREA Coordinator completes incoming institutional reference checks.

Site Observation:

By utilizing the PREA Audit Adult Prison & Jail Documentation Review Employee File/ Records template demonstrated that 26 of 26 employee files reviewed had background checks upon hire and every five years, thereafter. The facility was able to demonstrate administrative adjudication questions were asked during the hiring and promotion processes and institutional references are requested and completed for applicable applicants.

(a) The Tecumseh State Correctional Institution PAQ states the agency policy prohibits hiring or promoting anyone who may have contact with inmates and prohibits enlisting the services of any contractor who may have contact with inmates who: (1) Has engaged in sexual abuse in a prison, jail, lockup, community confinement facility, juvenile facility, or other institution (as defined in 42 U.S.C. 1997); (2) Has been convicted of engaging or attempting to engage in sexual activity in the community facilitated by force, overt or implied threats of force, or coercion, or if the victim did not consent or was unable to consent or refuse; or (3) Has been civilly or administratively adjudicated to have engaged in the activity described in

paragraph (a)(2) of this section.

Nebraska Department of Correctional Services, Sexual Assault/Abuse Policy 203.11, page 10, section G., states, "NDCS shall not hire, promote or enlist the services of any contractor who may have contact with inmates who has engaged in sexual/assault in a prison, jail, lockup, community confinement facility, juvenile facility or other institution; who has been convicted of engaging or attempting to engage in sexual activity in the community facilitated by force, overt or implied threats of force, coercion or if the victim did not consent or was unable to consent; and/or who has been civilly or administratively adjudicated to have engaged in such activity. Any incidents of sexual harassment will be taken into consideration. Refer to Policy 112.03 Team Member Selection Policy, for additional details regarding the hiring and promoting processes."

(b) The Tecumseh State Correctional Institution PAQ states agency policy requires the consideration of any incidents of sexual harassment when determining to hire and or promote anyone, or to enlist services of any contractor, who may have contact with inmates. Policy compliance can be found in provision (a) of this standard.

(c/f/h) The Tecumseh State Correctional Institution PAQ states agency policy requires that before it hires any new employees who may have contact with inmates, it (a) conducts criminal background record checks, and (b) consistent with federal, state, and local law, makes its best efforts to contact all prior institutional employers for information on substantiated allegations of sexual abuse or any resignation during a pending investigation of an allegation of sexual abuse. In the past 12 months, the number of persons hired who may have contact with inmates who have had criminal background record checks was 47. Policy compliance can be found in provision (a) of this standard.

(d) The Tecumseh State Correctional Institution PAQ states the agency policy requires that a criminal background records check be completed before enlisting the services of any contractor who may have contact with inmates. Volunteers and contractors could attest to receiving education on the agency zero tolerance policy before having access to inmates and annually thereafter. Each could speak to an understanding of reporting any information regarding sexual harassment or sexual abuse and knowing an internal staff contact to report any such knowledge.

Site Observation:

Utilization of the PREA Audit Adult Prison & Jail Documentation Review Employee File / Records Review template demonstrated the contractors did not have documented training on the agency zero tolerance policy in 2022 and 2023.

Corrective Action Plan:

3. Inmate Sexual Orientation PowerPoint Presentation, not dated
4. Nebraska Department of Corrections PREA Inmate Orientation Acknowledgement in English and Spanish, not dated

Interviews:

1. Random Inmates
2. Targeted Inmates
3. Unit Manager

Interviews with 20 random and 20 targeted inmates demonstrated they had been educated on the agency zero tolerance policy, their rights not to be sexually harassed, sexually assaulted or retaliated against and internal and external reporting information within the first week of being admitted into the program.

The interview with the Unit Manager demonstrated he educates inmates by reading the PREA brochure to them verbatim. The Unit Manager states the education consists of how to report, how investigations are conducted, the agency PREA policy and their rights. Once the instructor is sure inmates have a clear understanding of the information they are asked to sign an acknowledgement. If inmates are on a Plan A, they are not allowed to sign due to risk and staff will document that risk. If staff believe the inmates do not understand due to cognitive ability, education is introduced again until they can comprehend the information.

Site Observation:

Utilization of the PREA Audit Adult Prison & Jail Documentation Review Inmate File / Records Review template demonstrated 20 of 40 inmates interviewed have been admitted into the program in the past 12 months. Of those 16 inmates, all had received PREA education within 72 hours of intake to include orientation and comprehensive education. A trend was noted for the four inmates who did not have documented education in that they were all placed in restricted housing upon intake. Discussions with the PREA Compliance Manager demonstrated the facility realized

inmates being directly admitted into restricted housing were not receiving education in October of 2024. At that time, the facility implemented a system to ensure all intakes were receiving the required orientation, moving forward.

(a) The Tecumseh State Correctional Institution PAQ states Inmate receives information at time of intake about the zero-tolerance policy and how to report incidents or suspicions of sexual abuse or sexual harassment. The number of inmates admitted in the past 12 months who were given this information at intake was 494.

Nebraska Department of Correctional Services, Sexual Assault/Abuse Policy 203.11, page 13-14, section M. 1-2, state,”

1. During the intake process at all NDCS facilities, inmates shall receive information explaining NDCS’ zero tolerance policy regarding sexual abuse/assault, sexual harassment, and retaliation for reporting such incidents; how to report incidents or suspicions of sexual abuse/assault, sexual harassment, and retaliation for reporting such incidents; and informed of the designated facility PREA compliance manager. See Inmate Orientation Information Regarding Sexual Assault Awareness.

2. Within 30 days of intake, inmates newly assigned to NDCS shall receive comprehensive education through use of a power point/video presentation, with staff available to answer questions, regarding their right to be free from sexual assault/abuse and sexual harassment, their right to be free from retaliation for reporting such incidents and agency policies and procedures for responding to and reporting such incidents.”

(b) The Tecumseh State Correctional Institution PAQ states the number of those inmates admitted during the past 12 months (whose length of stay in the facility was for 30 days or more) who received comprehensive education on their rights to be free from both sexual abuse and sexual harassment and retaliation for reporting such incidents and on agency policies and procedures for responding to such incidents within 30 days of intake was 494. Policy compliance can be found in provision (a) of this standard.

(c) The Tecumseh State Correctional Institution PAQ states of those who were not educated during 30 days of intake, all inmates have been subsequently educated. Agency policy requires that inmates who are transferred from one facility to another be educated regarding their rights to be free from both sexual abuse and sexual harassment and retaliation for reporting such incidents and on agency policies and procedures for responding to such incidents, to the extent that the policies and procedures of the new facility differ from those of the previous facility. The PAQ states, “all inmates are educated within 30 days of arrival.”

Nebraska Department of Correctional Services, Sexual Assault/Abuse Policy 203.11, page 14, section M. 3, states, “Information will be provided in formats accessible to all inmates, including those who are deaf or hard of hearing, visually impaired or otherwise disabled; those who have intellectual, psychiatric or speech disabilities; as well as to inmates who have limited reading skills and who are limited English proficient.”

(d) The Tecumseh State Correctional Institution PAQ states Inmate PREA education is available in accessible formats for all inmates including those who are limited English proficient, deaf, visually impaired, otherwise disabled or have limited reading skills.

(e) The Tecumseh State Correctional Institution PAQ states the facility maintains documentation of inmate participation in PREA education sessions. Documentation can be found in provision (d) of this standard.

The facility provided a PREA Inmate Orientation acknowledgements in English and Spanish. Inmates attest to the following through their signature and date. “I acknowledge that I have received information regarding my rights to be free from sexual assault, sexual abuse, sexual harassment and to be free from retaliation for reporting such incidents. I have also been informed of the Nebraska Department of Correctional Services policy and procedures for responding to such incidents.”

(f) The Tecumseh State Correctional Institution PAQ states the agency ensures that key information about the agency’s PREA policies is continuously and readily available or visible through posters, inmate handbooks, or other written formats.

### Interviews:

1. Contract Registered Nurse
2. Contract Licensed Mental Health Practitioner

The interview with contract personnel demonstrated they had not completed specialized medical and mental health training.

### Site Observation:

Contractor file review demonstrated mental health provider did not have documented specialized training completed for medical and mental health provider.

### Corrective Action Plan:

- Provide documented training of specialized for mental health provider. Getting for Sean McClure/requested
- Appropriate facility personnel provide a memorandum with a sustainable action plan stating which agency position will ensure all requirements of §115.35. Memorandum to be addressed to the DOJ PREA Auditor, date and author of the memorandum and standard in question.
- Upload documentation to the online audit system or provide documentation to the DOJ PREA Auditor.

Post audit the facility provided training curriculums, records and training learning history spreadsheets medical and mental health personnel demonstrating each have

completed the required specialized training.

(a) The Tecumseh State Correctional Institution PAQ states the agency has a policy related to the training of medical and mental health practitioners who work regularly in its facilities. The number of all medical and mental health care practitioners who work regularly at this facility who received the training required by agency policy is 47.

Nebraska Department of Correctional Services, Sexual Assault/Abuse Policy 203.11, page 14-15, section O. 1., states, “

1. All full and part-time medical and mental health care practitioners to include contracted staff will receive training in the following:

  - b. Preserving physical evidence of sexual assault/abuse.
  - c. Responding effectively and professionally to victims of sexual assault/abuse and sexual harassment.
  - d. Reporting allegations or suspicions of sexual assault/abuse and sexual harassment.”

The facility provided the National PREA Resource Center Specialized Training: PREA Medical and Mental Care Standards Notification of Curriculum Utilization curriculum. The curriculum demonstrates the following modules are trained.

- Module 1: Detecting and Assessing Signs of Sexual Abuse and Harassment
- Module 2: Reporting and the PREA Standards
- Module 3: Effective and Professional Responses
- Module 4: The Medical Forensic Examination and Forensic Evidence Preservation

(b) The Tecumseh State Correctional Institution PAQ states their medical staff do not conduct forensic medical exams.

(c) The Tecumseh State Correctional Institution PAQ states the agency maintains documentation showing that medical and mental health practitioners have completed the required training.

and any concerns they may have for their safety. The Case Manager stated only the Case Manager, Unit Managers and Captains have access to risk assessments once completed.

The interview with the Warden demonstrated inmates are placed in units where they will have the highest level of success.

Site Observation:

Utilization of the PREA Audit Adult Prison & Jail Documentation Review Inmate File / Records Review template demonstrated 20 of 40 inmates interviewed have been admitted into the program in the past 12 months. Of those 20 inmates, each had completed risk assessments within 72 hours of intake and again within 30 days of admission into the facility. Files review also demonstrated transgender inmates had completed assessments at least twice annually.

(a) The Tecumseh State Correctional Institution PAQ states the facility has a policy that requires screening, upon admission or transfer, for risk of sexual abuse victimization or sexual abusiveness toward other Inmates.

Nebraska Department of Correctional Services, Identification of Potential Aggressors and Victims / Survivors, Policy 201.03, page 2, section 1., states, "All inmates shall be assessed during an intake screening at reception facilities and upon each transfer to another facility for their risk of being sexually assaulted, sexually abused or sexually harassed by other inmates and/or their potential to be sexually abusive or sexually harassing toward other inmates. This screening shall take place within 72 hours of arrival at the facility and be conducted using an objective screening instrument. NDCS shall implement appropriate controls on the dissemination of this information within facilities in order to ensure sensitive information is not exploited to an inmate's detriment by staff or other inmates."

(b) The Tecumseh State Correctional Institution PAQ states the number of inmates entering the facility (either through intake or transfer) within the past 12 months (whose length of stay in the facility was for 72 hours or more) who were screened for risk of sexual victimization or risk of sexually abusing other inmates with 72 hours of their entry into the facility was 526. Policy compliance can be found in provision (a) of this standard.

(c-e) The Tecumseh State Correctional Institution PAQ states the facility conducts

risk assessments by using an objective screening instrument. The facility does not house inmates solely for civil immigration purposes.

The facility provided computer screen prints of the agency PREA risk assessment.

NICaMS provides final scores for the risk assessment to include the following.

- Victimization Total

- Aggressor Total
- High Priority Aggressor Total

(f) The Tecumseh State Correctional Institution PAQ states the policy requires that the facility reassess each inmate's risk of victimization or abusiveness within a set time period, not to exceed 30 days after the inmate's arrival at the facility, based upon any additional, relevant information received by the facility since the intake screening. The number of inmates entering the facility (either through intake or transfer) within the past 12 months (whose length of stay in the facility was for 30 days or more) who were reassessed for their risk of sexual victimization or of being sexually abusive with 30 days after their arrival at the facility based upon any additional relevant information received since intake was 502. Policy compliance can be found in provision (a) of this standard.

(g) The Tecumseh State Correctional Institution PAQ states the policy requires that an inmate's risk level be reassessed when warranted due to a referral, request, incident of sexual abuse, or receipt of additional information that bears on the inmate's risk of sexual victimization or abusiveness. Policy compliance can be found in provision (a) of this standard.

(h) The Tecumseh State Correctional Institution PAQ states the policy prohibits disciplining inmates for refusing to answer (or for not disclosing complete information related to) questions regarding: (a) whether or not the inmate has a mental, physical, or developmental disability; (b) whether or not the inmate is or is perceived to be gay, lesbian, bisexual, transgender, intersex, or gender non-conforming; (c) whether or not the inmate has previously experienced sexual victimization; and (d) the inmate's own perception of vulnerability.

	<p>Nebraska Department of Correctional Services, Identification of Potential Aggressors and Victims / Survivors, Policy 201.03, page 5, second paragraph., states, "Inmates may not be disciplined for refusing to answer or not disclosing complete information in response to the aforementioned questions."</p> <p>Through such reviews, the facility meets the standard requirements.</p>

The balance of targeted inmates stated they feel safe and are either housed in cell alone or are okay with their living unit.</p> <p>Formal and informal interviews with the Director of Classification and an additional Unit Manager demonstrated that information from the risk assessment is not considered for housing, bed, work, education and program assignments and this information is not taken particularly seriously.</p>

The interview with the PREA Coordinator demonstrated quarterly gender dysphoria meetings take place with facilities to discuss transgender and intersex inmates coming into and transferring within programs to ensure their needs are met. In addition, the PREA Coordinator reviews all six-month reviews once those reviews are completed by designated facility personnel.

(a) The Tecumseh State Correctional Institution PAQ states the facility uses information from the risk screening required by §115.41 to inform housing, bed, work, education, and program assignments with the goal of keeping separate those inmates at high risk of being sexually victimized from those at high risk of being sexually abusive.

Nebraska Department of Correctional Services, Sexual Assault/Abuse Policy 203.11, page 15, section Q. 1., states, "Facilities will utilize information from the risk screening to inform housing, bed, work, education and program assignments with the goal of keeping those inmates who are at high risk of being sexually victimized from those who are at high risk of being sexually abusive. The institution's physical plant, staffing levels, size, and number of programs and services, as well as activity schedules, will determine the extent to which separation is possible or contacts minimized. Computer tracking of high-risk inmates within an institution may be utilized. Facilities will make individualized determinations about how to ensure the safety of each inmate."

(b) The Tecumseh State Correctional Institution PAQ states the agency/facility makes individualized determinations about how to ensure the safety of each inmate. Policy compliance can be found in provision (a) of this standard.

(c-d) The Tecumseh State Correctional Institution PAQ states the agency/facility makes housing and program assignments for transgender, or intersex inmates in the facility on a case-by-case bases.

Nebraska Department of Correctional Services, Sexual Assault/Abuse Policy 203.11, page 15-16, section Q. 2., states, "In deciding whether to assign a transgender or intersex inmate to a facility for male or female inmates, and in making other housing and programming assignments, NDCS shall consider on a case-by-case basis whether a placement would ensure the inmates health and safety, and whether the placement would present management or security problems."

Through such reviews, the facility meets the standard requirements.

Document Review:

1. Tecumseh State Correctional Institution PAQ
2. Nebraska Department of Correctional Services, Sexual Assault/Abuse Policy 203.11, dated 7.31.2024

Interviews:

1. Corporal
2. Warden

The interview with Corporal assigned to restricted housing stated inmates who pose an immediate threat to themselves, or others are placed in restricted housing. The Corporal stated he was aware of documentation requirements and discussions that needed to take place with inmates regarding limited privileges. The Corporal stated the facility had a 21-day requirement for inmates to be housed in restricted housing and if the length of stay were to last more than 30 days, he was aware this would be communicated to the inmate and documentation of the notification would be noted in the inmates' case file. The Corporal stated a vulnerable person has not been housed in restricted housing since being assigned 18 months ago.

The interview with the Warden demonstrated vulnerable persons have not been placed in restricted housing in the past 12 or more months as this is not a practice at the facility.

(a) The Tecumseh State Correctional Institution PAQ states the agency has a policy prohibiting the placement of inmates at high risk for sexual victimization in involuntary segregated housing unless and an assessment of all available alternatives has been made, and a determination has been made that there is not available alternative means of separation from likely abusers. The number of inmates at risk of sexual victimization who were held in involuntary segregated housing the past 12 months for one to 24 hours awaiting completion of assessment was zero. The PAQ states, "Inmates are not placed in Restrictive Housing for this reason."

Nebraska Department of Correctional Services, Sexual Assault/Abuse Policy 203.11,

page 16, section R. 1., states, "Inmates at high risk for sexual victimization and those alleged to have suffered sexual assault/abuse shall not be placed in involuntary restrictive housing unless an assessment of all available alternatives has been conducted and a determination has been made there is no available alternative means of separation from likely abusers.

If unable to conduct this assessment immediately, the inmate may be held in involuntary restrictive housing (immediate segregation) for less than 24 hours while the assessment is completed."

(c) The Tecumseh State Correctional Institution PAQ states the number of inmates at risk of sexual victimization who were assigned to involuntary segregated housing in the past 12 months, for longer than 30 days while awaiting alternative placement was zero.

(d) The Tecumseh State Correctional Institution PAQ states from a review of case files of inmates at risk of sexual victimization who were held in involuntary segregated housing in the past 12 months, the number of case files that include BOTH (a) a statement of the basis for facilities concerns for the inmate's safety, and (b) the reason or reason why alternative means of separation could not be arranged was zero.

(e) The Tecumseh State Correctional Institution PAQ states if an involuntary segregated housing assignment is made, the facility affords each such inmate a review every 30 days to determine whether there is a continuing need for separation from the general population. The PAQ states, "Inmates are not placed in Restrictive Housing for this reason. However, all Restrictive Housing placement is reviewed within 24 hours by the Warden."

Through such reviews of the facility not utilizing restricted housing for vulnerable persons as they have enough housing units to place victims and or victims can be transferred to another facility; the facility exceeds the standard requirements.

Interviews:

1. Random Inmates
2. Targeted Inmates
3. Corporals
4. Captain - PREA Compliance Manager

Interviews with the inmates demonstrated that they were aware they could report directly to a staff member, calling the Ombudsman, through the kite and grievance system, reporting to a trusted adult in the community, being anonymous and or writing a letter to the legal department.

Interviews with Corporals demonstrated they would accept and report any type of allegation received regardless of the source of the allegation.

Site Observations:

During the tour the PREA hotline was tested from offender phones and the call successfully connected. The Auditor left a message on the voicemail and the PREA Coordinator was able to demonstrate the message instantly came to her cell phone.

During the tour the mailroom was observed to have one staff member present. Legal mail is marked 'Legal Mail' and sealed by a staff member and logged in the presence of the inmate. Incoming mail is given to the Sergeant who logs the envelope, documents on the log with staff and inmate signatures. All mail is copied and given to

the inmate.

(a) The Tecumseh State Correctional Institution PAQ states the agency has established procedures allowing for multiple internal ways for inmates to report privately to agency officials about: (a) sexual abuse or sexual harassment; (b) retaliation by other inmates or staff for reporting sexual abuse and sexual harassment; and (c) staff neglect or violation of responsibilities that may have contributed to such incidents.

Nebraska Department of Correctional Services, Sexual Assault/Abuse Policy 203.11, page 17, section S. 1., states, "Inmates shall be provided with multiple ways to privately report sexual assault/abuse, sexual harassment, and retaliation by other inmates or staff for reporting sexual assault/abuse, sexual harassment, staff neglect and/or violation of responsibilities that may have contributed to such incidents.

a. Inmates may verbally report the incident to any staff member.

b. Inmates may utilize the established hotline number (855-623-7360) to report an allegation anonymously. This number shall be included on all inmates Inmate Calling System (ICS) automatically. The number is a generic pin for all inmates 0-111-111-111 and speed dial 08#. These calls shall not be subject to monitoring. Upon receipt of a voice message, a system generated email is forwarded to the captain/PREA coordinator. See How To Dial Hotlines (Attachment C) for directions on dialing the PREA Hotline.

c. Inmates may report the incident in writing on an Inmate Interview Request or Grievance form."

The facility provided page 43 of the TSCI General Procedures and Orientation For Incarcerated Individuals Handbook which gives inmates detailed information of how to report sexual harassment and sexual abuse, to include phone numbers and information to provide when reporting.

(b) The Tecumseh State Correctional Institution PAQ states facility provides at least one way for inmates to report abuse or harassment to a public or private entity or office that is not part of the agency. The agency has a policy requiring inmates detained solely for civil immigration purposes be provided information on how to contact relevant consular officials and relevant officials of the Department of Homeland Security. Policy compliance can be found in provision (a) of this standard. The PAQ states, "The inmate population can contact the Ombudsman's office if they chose too. the Ombudsman's office is set up as a speed dial on the inmates calling system."

The facility provided a memorandum regarding 'reporting methods for inmates detained solely for immigration', stating, "The Nebraska Department of Correctional Services does not house or detain inmates solely for the purpose of civil immigration. All inmates are sentenced before placement in NDCS custody. NDCS does house county safe keepers that come from county jails they are placed in intake/reception due to the needs of a 90 day mental health evaluation or behavior concerns while in county custody."

(c) The Tecumseh State Correctional Institution PAQ states the agency has a policy mandating that staff accept reports of sexual abuse and sexual harassment made verbally, in writing, anonymously, and from third parties. Staff are required to document verbal reports.

Nebraska Department of Correctional Services, Sexual Assault/Abuse Policy 203.11, page 18, section 17. 4., states, "Staff will accept all reports made verbally, in writing, anonymously, from other inmates and from third parties outside NDCS. Verbal reports will be promptly documented.

The facility provided an incident report documenting a third-party report from an inmates' parents describing a sexual harassment and physical assault.

(d) The Tecumseh State Correctional Institution PAQ states the agency has established procedures for staff to privately report sexual abuse and sexual harassment of inmates.

Nebraska Department of Correctional Services, Sexual Assault/Abuse Policy 203.11, page 18, section 17. 4., states, "Staff have the option of privately reporting sexual assault/abuse and sexual harassment of inmates and retaliation against inmates and staff by directly notifying the captain/PREA coordinator (402-479-5660) or utilizing the established hotline number (855-623-7360)."

The facility provided slides 95 and 97 from the agency PREA training PowerPoint demonstrating employees are provided internal ways to report and a hotline number of 855.623.7360 as well as information on affirmative duty.

Through such reviews, the facility meets the standard requirements.

Document Review:

2. Nebraska Department of Correctional Services, Sexual Assault/Abuse Policy 203.11, dated 7.31.2024

Interviews:

1. Random Inmates
2. Targeted Inmates
3. Captain / PREA Compliance Manager
4. Captain / PREA Coordinator

Interviews with inmates demonstrated they were aware they could file a grievance through their tablets.

The interview with the PREA Compliance Manager demonstrated that grievances can now be filed through the inmate tablet system.

The interview with the PREA Coordinator demonstrated that the agency now has a database for grievances, and she is notified through the email system of every grievance filed, to include grievances related to PREA. The PREA Coordinator displayed the database to include the inmate name, inmate number, date of grievance, information regarding the grievance and action steps taken in response to the grievance.

(a) The Tecumseh State Correctional Institution PAQ states the agency has an administrative procedure for dealing with Inmate grievances regarding sexual abuse.

Nebraska Department of Correctional Services, Sexual Assault/Abuse Policy 203.11, page 18, section T., states, "Inmates will not be disciplined for filing a grievance related to alleged sexual assault/abuse or sexual harassment unless the facility

demonstrates the grievance was deliberately filed in bad faith.

NDCS does not impose a time limit on when an inmate may submit a grievance regarding an allegation of sexual assault/abuse or sexual harassment. Applicable time limits to any portion of a grievance that does not allege an incident of sexual assault/abuse or sexual harassment will be followed per policy.

An inmate is not required to use any informal grievance process (i.e., an inmate may submit a Step I Grievance without an Informal Grievance attached) or otherwise attempt to resolve an alleged incident of sexual assault/abuse or sexual harassment with staff. An inmate who alleges sexual assault/abuse or sexual harassment may file a grievance without submitting it to a staff member who is the subject of the complaint. A grievance will not be referred to a staff member who is the subject of the complaint.

A final response to the grievance will be issued within 90 days of the initial filing. This does not include time consumed by inmates preparing an administrative appeal. An extension of up to 70 days may be requested if there is insufficient time to make an appropriate decision. Inmates will be notified in writing of the extension and be provided a date by which the decision will be made. If the inmate does not receive a response or notification of an extension, he or she may consider the absence of a response to be a denial at that level.

An inmate may also file an emergency grievance if he or she feels there is a substantial risk of imminent sexual abuse/assault.

The emergency grievance will immediately be forwarded to the shift supervisor, who will take immediate corrective action. An initial response shall be provided within 24 hours and a final decision will be issued within five calendar days. The initial response and final decision will serve as documentation determining whether the inmate is at substantial risk of imminent sexual abuse/assault and the action taken in response to the emergency grievance.”

(b) The Tecumseh State Correctional Institution PAQ states agency policy or procedure allows an inmate to submit a grievance regarding an allegation of sexual abuse at any time, regardless of when the incident is alleged to have occurred. Policy compliance can be found in provision (a) in this standard.

(c) The Tecumseh State Correctional Institution PAQ states the agency's policy and procedure allows an inmate to submit a grievance alleging sexual abuse without submitting it to the staff member who is the subject of the complaint. The agency's policy and procedure require that an inmate grievance alleging sexual abuse not be referred to the staff member who is the subject of the complaint. Policy compliance can be found in provision (a) in this standard.

(d) The Tecumseh State Correctional Institution PAQ states the agency's policy and procedures that require a decision on the merits of any grievance or portion of a grievance alleging sexual abuse be made within 90 days of the filing of the grievance. In the past 12 months there have been 35 grievances filed alleging sexual abuse. In the past 12 months, the number of grievances alleging sexual abuse that reached final decision within 90 days after being filed was 35. In the past 12 months, the number of grievances alleging sexual abuse that involved extensions because final decision was not reached within 90 days was one. Policy compliance can be found in provision (a) in this standard. The PAQ states, "there were 25 informal, step 1 grievance wea seven and step two grievances were three. The extensions (continuances) should have been asked for by staff but was not."

(e) The Tecumseh State Correctional Institution PAQ states agency policy and procedure permit third parties, including fellow inmates, staff members, family members, attorneys, and outside advocates, to assist inmates in filing requests for administrative remedies relating to allegations of sexual abuse and to file such requests on behalf of inmates. Agency policy and procedure requires that if an inmate declines to have third-party assistance in filing a grievance alleging sexual abuse, the agency documents the inmate's decision to decline. The number of grievances alleging sexual abuse filed by inmates in the past 12 months in which the inmate declined third-party assistance, containing documentation of the inmate's decision to decline was zero. Policy compliance can be found in provision (a) of this standard.

(f) The Tecumseh State Correctional Institution PAQ states the facility has a policy and established procedures for filing an emergency grievance alleging that an inmate is subject to a substantial risk of imminent sexual abuse. The facilities policy and procedures for emergency grievances alleging substantial risk of imminent sexual abuse require an initial response within 48 hours. The facilities policy and procedure for emergency grievances alleging substantial risk of imminent sexual abuse require that a final agency decision be issued within five days. The number of emergency grievances alleging substantial risk of imminent sexual abuse that were filed in the past 12 months was 21. The number of those grievances in 115.52 (e)-3 that had an initial response within 48 hours was none. The number of grievances alleging substantial risk of imminent sexual abuse filed in the past 12 months that reached final decisions within five days was 21. Policy compliance can be found in provision (a) in this standard.

(g) The Tecumseh State Correctional Institution PAQ states the facility has a written policy that limits its ability to discipline an inmate for filing a grievance alleging sexual abuse to occasions where the agency demonstrates that the Inmate filed the grievance in bad faith. In the past 12 months, there have been zero grievances alleging sexual abuse to occasions where the agency demonstrated that the inmate filed the grievance in bad faith. Policy compliance can be found in provision (a) of this standard.

Through such reviews, the facility meets the standard requirements.

- The facility provides inmates with access to such services by giving inmates mailing addresses and telephone numbers (including toll-free hotline numbers where available) for immigrant services agencies for persons detained solely for civil immigration purposes.
- The facility provides inmates with access to such services by enabling reasonable communication between inmates and these organizations in as confidential a manner as possible.

The PAQ states, "NDCS currently does not have a MOU with a rape crisis center. However, when the inmate goes to the community hospital for a SANE examination the hospital contacts a victim advocate to be present."

Nebraska Department of Correctional Services, Sexual Assault/Abuse Policy 203.11, page 19, section U., states, "NDCS shall maintain or attempt to enter into a memorandum of understanding or other agreements with community service providers that are able to provide inmates with confidential emotional support services related to sexual abuse. contact or an immediate family member via a staff assisted telephone call. The staff assisted call shall be no longer than 15 minutes in duration. Staff will document the call, or attempted call, on an Incident Report.”

(b) The Tecumseh State Correctional Institution PAQ states the facility informs inmates, prior to giving them access to outside support services, the extent to which such communications will be monitored. The facility informs inmates, prior to giving them access to outside support services, of the mandatory reporting rules governing privacy, confidentiality, and/or privilege that apply for disclosures of sexual abuse made to outside victim advocates, including any limits to confidentiality under relevant Federal, State, or local law.

(c) The Tecumseh State Correctional Institution PAQ states the facility maintains memoranda of understanding with community service providers that are able to provide inmates with emotional support services related to sexual abuse.

The facility provided an Advocacy Attempt Memorandum from the NDCS PREA Coordinator, stating, “NDCS currently does not have a MOU with a rape crisis center. However, when the inmate goes to the community hospital for a SANE examination the hospital contacts a victim advocate to be present.

In the event NDCS enters into a MOU with a RAPE crisis center the below information will be part of the MOU and information will be given to the incarcerated population.”

Through such reviews, the facility meets the standard requirements.

Interviews:

1. Random Inmates
2. Targeted Inmates
3. Corporals

Interviews with inmates demonstrated most were aware of third-party reporting and each had the option of having a trusted adult in the community report for them.

Interviews with Corporals and facility personnel demonstrated each would accept a third-party report and immediately report the allegation to their supervisor.

Site Observation:

During the tour Zero Tolerance postings were observed with third party contact information, throughout the facility.

(a) The Tecumseh State Correctional Institution PAQ states the facility provides a method to receive third-party reports of inmate sexual abuse or sexual harassment. The agency publicly distributes information on how to report inmate sexual abuse or sexual harassment on behalf of inmates. The PAQ states, "<https://corrections.nebraska.gov/about/prison-rape-elimination-act-0>." ❖❖❖

On 1.11.2024 at 4:14 pm, MST, this writer left a message on the agency PREA Hotline at 855.623.7360. After proper introductions and the reason for the call a return call was requested explaining the steps taken once a sexual harassment, sexual abuse and or report of retaliation is handled when received on this number. The phone call was returned by the agency PREA Coordinator on 1.13.2025 at 8:00 am stating, "attached is your Hotline call. If this was an inmate reporting an allegation, I would contact the facility for follow up on a possible investigation."

Through such reviews, the facility meets the standard requirements.

Interviews:

1. Corporals
2. Medical and Mental Health staff
3. Unit Manager / Investigator
4. Captain / PREA Compliance Manager
5. Captain / PREA Coordinator
6. Warden

Interviews with the facility personnel demonstrated each actively practices and understands the importance of immediately reporting all allegations of sexual abuse and sexual harassment.

Site Observations:

Review of investigations by utilizing the PREA Audit - Adult Prisons & Jails Documentation Review - Investigations template demonstrated the source of the allegation included reporting directly to staff, through a third party, the formal and informal grievance process, inmate interview request form, staff reporting comments made by a victim in conversation, victim upon transfer from another State of Nebraska facility.

(a/c-d) The Tecumseh State Correctional Institution PAQ states the agency requires all staff to report immediately and according to agency policy any knowledge, suspicion, or information they receive regarding an incident of sexual abuse or sexual harassment that occurred in a facility, whether or not it is part of the agency. The agency requires all staff to report immediately and according to agency policy any retaliation against Inmates or staff who reported such an incident. The agency requires all staff to report immediately and according to agency policy any staff neglect or violation of responsibilities that may have contributed to an incident or retaliation.

Nebraska Department of Correctional Services, Sexual Assault/Abuse Policy 203.11, page 20, section W., states, "All NDCS staff are required to report immediately and according to policy any knowledge, suspicion or information regarding:

- a. An incident of sexual assault/abuse or sexual harassment that occurred in a facility, whether or not it is part of the agency.
- b. Retaliation against inmates or staff who reported such an incident.
- c. Any staff neglect or violation of responsibilities that may have contributed to an incident or retaliation.

Medical and mental health staff are obligated to report sexual assault/abuse and inform inmates of their duty to report and the limitations of confidentiality at the initiation of services.

If the alleged victim is under 18 years old or considered a vulnerable adult, the allegations will be reported to the Department of Health and Human Services under applicable mandatory reporting laws.

Staff shall not reveal any information related to a sexual assault/abuse report to anyone other than to the extent necessary as specified in NDCS policy, to make treatment, investigations, and other security decisions."

(b) The Tecumseh State Correctional Institution PAQ states, apart from reporting to designated supervisors or official and designated state or local service agencies, agency policy prohibits staff from revealing any information related to a sexual abuse report to anyone other than to the extent necessary to make treatment, investigation, and other security and management decisions.

Through such reviews, the facility meets the standard requirements.

The Corporal stated a vulnerable person has not been housed in restricted housing since being assigned 18 months ago.

The interview with the Warden demonstrated vulnerable persons have not been placed in restricted housing in the past 12 or more months as this is not a practice at the facility.

(a) The Tecumseh State Correctional Institution PAQ states when the agency or facility learns that an inmate is subject to a substantial risk of imminent sexual abuse, it takes immediate action to protect the Inmate. In the past 12 months, the facility reports that zero inmates were subject to substantial risk of imminent sexual abuse. Upon discovery of inmates being subject to substantial risk, the facility immediately separates the victim from the perpetrator, made notification and completed incident reporting requirements.

Nebraska Department of Correctional Services, Sexual Assault/Abuse Policy 203.11, page 20, section X, states, "When NDCS learns that an inmate is subject to a substantial risk of imminent sexual assault/abuse, it shall take immediate action to protect them and assess and implement appropriate protective measures without unreasonable delay."

5. Email Notification of a Sexual Abuse Allegation at Tecumseh Correctional Institution

### Interviews:

1. Warden
2. Deputy Director of Prisons Operations / Agency Head

The interview with the Warden demonstrated that he was aware that upon receiving an allegation that an inmate was sexually abused while confined at another facility he and the PREA Coordinator would personally notify the Warden from the facility where the allegation was alleged to have occurred, within 72 hours of receipt of the allegation. The Warden stated email communications would be archived to demonstrate the documentation was submitted.

The interview with the Agency Head demonstrated all sexual assault allegations are referred to the Nebraska State Patrol and are coordinated through the agency PREA Coordinator, facility PREA Compliance Manager, and criminal investigators.

(a) The Tecumseh State Correctional Institution PAQ states the agency has a policy requiring that, upon receiving an allegation that an inmate was sexually abused while confined at another facility, the head of the facility must notify the head of the facility or appropriate office of the agency or facility where sexual abuse is alleged to have occurred. The agency's policy also requires that the head of the facility notify the appropriate investigative agency. In the past 12 months the facility has received one allegation that an inmate was abused while in confinement at another facility.

Nebraska Department of Correctional Services, Sexual Assault/Abuse Policy 203.11, page 20, section Y, states, "Within 72 hours of receipt of an allegation an inmate was sexually abused while confined at another facility, the receiving warden/designee

shall notify the warden/designee where the incident was alleged to have occurred and the captain/PREA coordinator. Such notification shall be documented. The captain/PREA coordinator will ensure an investigation is completed according to policy.”

The facility provided an email notification demonstrating an incident report had been completed as a result of a sexual abuse allegation from an inmate when at another facility. The email demonstrates this communication was sent to the facility Warden an agency OCIO.DoNot Reply WebTeam@Nebraska.gov.

(b) The Tecumseh State Correctional Institution PAQ states agency policy requires that the facility head provides such notification as soon as possible, but no later than 72 hours after receiving the allegation. Policy compliance can be found in provision (a) of this standard.

(c) The Tecumseh State Correctional Institution PAQ states the facility documents that it has not had a need to provide such notification within 72 hours of receiving the allegation. Policy compliance can be found in provision (a) of this standard.

(d) The Tecumseh State Correctional Institution PAQ states facility policy requires that allegations received from other agencies or facilities are investigated in accordance with the PREA standards. In the last 12 months, there has been one allegation of sexual abuse. Policy compliance can be found in provision (a) of this standard.

The facility provided an email notification to the Facility Administrator providing information on a receipt of a claim of sexual abuse that was alleged to have occurred at Tecumseh Correctional Institution.

Through such reviews, the facility meets the standard requirements.

Interviews:

1. Corporals

Interviews with Corporals demonstrated each carried first responder cards and or booklets with first responder duties. Corporals articulated they would first call for help, separate inmates and wait for further instruction. Corporals stated while waiting for further instruction each would ensure inmates do not talk about the incident, do not wash or change clothing and clear the area to ensure evidence is not altered in any way.

(a) The Tecumseh State Correctional Institution PAQ states the agency has a first responder policy for allegations of sexual abuse. The policy requires that, upon learning of an allegation that an inmate was sexually abused, the first security staff member to respond to the report shall be required to separate, preserve, protect, collect physical evidence, request that the alleged victim not take any actions that could destroy physical evidence, including, as appropriate, washing, brushing teeth, changing clothes, urinating, defecating, smoking, drinking, or eating. If the abuse occurred within a time period that still allows for the collection of physical evidence, ensure that the alleged abuser does not take any actions that could destroy physical evidence, including, as appropriate, washing, brushing teeth, changing clothes, urinating, defecating, smoking, drinking, or eating. In the past 12 months, six allegations occurred where an inmate was sexually abused. Of these allegations of sexual abuse in the past 12 months, the number of times the first security staff member responded to the report separated the alleged victim and abuser was zero. The PAQ states, "2 reports occurred years prior, 2 were pat searches by staff, 2 were accusations of verbal requests or statements"

Nebraska Department of Correctional Services, Sexual Assault/Abuse Policy 203.11, page 21, section Z. 1. a-b, Initial Response:

- a. Upon learning of an allegation an inmate was sexually assaulted, the first security staff member (team members primarily responsible for the supervision and control of inmates, including but not limited to custody, housing unit, mental health, recreation, maintenance, teachers, etc.) to respond to the report shall be required to:
  1. Separate the victim and abuser and ensure that the victim is safe.
  2. Preserve and protect any crime scene until appropriate steps can be taken to

	<p>collect any evidence.</p> <p>3. Security staff and non-security staff that respond to an incident will request the alleged victim and ensure the alleged abuser not take any actions that could destroy physical evidence, including, as appropriate, washing/showering, brushing teeth, changing clothes, urinating, defecating, smoking, drinking or eating if the abuse occurred within a time period that allows for evidence collection (120 hours); and notify the shift supervisor immediately.</p> <p>b. Inmate victims of sexual assault or inmates alleging they are victims of sexual assault which occurred within the past 120 hours will be referred immediately, under appropriate security provisions, to a community hospital for initial treatment and gathering of evidence without financial cost to the inmate. All forensic examinations shall be at a community hospital. If it is determined a forensic examination will be conducted department medical staff may provide only emergency medical care prior to transport.”</p> <p>(b) The Tecumseh State Correctional Institution PAQ states the facility’s’ policy requires that if the first staff responder is not a security staff member, that responder shall be required to request that the alleged victim not take any actions that could destroy physical evidence and notify security staff. Of the allegations that an inmate was sexually abused made in the past 12 months, the number of times a non-security staff member was the first responder was zero.</p> <p>Through such reviews, the facility meets the standard requirements.</p>

(a) The Tecumseh State Correctional Institution PAQ states the facility developed a written institutional plan to coordinate actions taken in response to an incident of sexual abuse among staff first responders, medical and mental health practitioners, investigators, and facility leadership.

The facility provided a Facility Checklist for incidents of sexual assault, sexual abuse and sexual harassment. The checklist documents the following information.

3. Pre-Audit Corrective Action: Training Documentation and Training Roster
4. Post Audit: NDCS Memorandum, RE: Memo for standard 115.67, dated 2.26.2025

### Interviews:

1. Captain / PREA Compliance Manager

The interview with the PREA Compliance Manager demonstrated he now begins retaliation monitoring upon receipt of a sexual abuse investigation. The PREA Compliance Manager stated while monitoring he reviews any related incident reports, housing or job changes, ensures the inmate is not housed near the aggressor and documents every two weeks to 30 days for 90 days or as long as is necessary unless the outcome of an investigation is unfounded.

### Pre-audit and Site Observation:

Investigation review demonstrated retaliation monitoring did not begin upon receipt of a sexual abuse allegation and retaliation monitoring was completed for 90 days with documented periodic checks.

Of the 10 investigations reviewed during the onsite review, nine had documented retaliation monitoring attached to the investigation file. The investigation that did not have retaliation monitoring was due to the inmate no longer residing at the facility.

### Pre-Audit Corrective Action Plan:

Investigation review demonstrated retaliation monitoring did not begin upon receipt of a sexual abuse allegation; however, retaliation monitoring was completed for 90 days with documented periodic checks.

### Corrective Action Plan:

- Provide documented training for all appropriate staff on each provision of §115.67.
- Appropriate facility personnel to provide a memorandum with a sustainable action plan stating which facility position will ensure all requirements of §115.67 are met. Memorandum to be addressed to DOJ PREA Auditor, date and author of the memorandum and standard in question.
- Upload required documentation to the online audit system standard area in question.

Pre audit the facility provided extensive documentation demonstrating the agency PREA Coordinator trained 31 appropriate facility personnel on protections against retaliation. The facility provided curriculum training and the signed staff training roster.

Post audit the agency provided a memorandum from the PREA Coordinator addressed to the PREA Auditor with the following sustainable action plan.

- Retaliation monitoring will start the date the incident is reported. The retaliation monitoring will be done for at least 90 days.
- Once the investigation is completed the notification to the victim will be documented in the retaliation monitoring.
- the Compliance Manager will ensure this is being done accurately and needs to be sent to the PREA Coordinator upon completion as well as saved in the facility file.

(a) The Tecumseh State Correctional Institution PAQ states the agency has a policy to protect all inmates and staff who report sexual abuse or sexual harassment or cooperate with sexual abuse or sexual harassment investigations from retaliation by other inmates or staff. The agency designates staff member(s) or charges department(s) with monitoring for possible retaliation. The facility designates the PREA Coordinator and the PREA Compliance Manager as retaliation monitors.

Nebraska Department of Correctional Services, Sexual Assault/Abuse Policy 203.11, page 23, section CC. 1-2., state,

1. “NDCS has an obligation to protect all inmates and team members who report sexual assault/abuse or sexual harassment or cooperate with sexual assault/abuse or sexual harassment investigations from retaliation by other inmates or staff. Examples of acts of retaliation include, but are not limited to, unnecessary discipline, intimidation, unnecessary changes in work or program assignments, unjustified

transfers or placements and unjustified denials of privileges or services. The facility PREA compliance manager is responsible for monitoring retaliation against inmates, the captain/PREA coordinator is responsible for monitoring retaliation against staff. Staff who believe they have been subject to retaliation should contact the captain/PREA coordinator in order to initiate retaliation tracking.

2. Once the PREA compliance manager is made aware of an open investigation, the PREA compliance manager shall meet with the victim and begin retaliation tracking. Facilities shall employ multiple protection measures, such as housing changes or transfers for inmate victims or abusers, removal of alleged staff or inmate abusers from contact with victims and emotional support services for inmates or staff who fear retaliation for reporting sexual abuse/assault or sexual harassment or for cooperating with investigations.”

(c) The Tecumseh State Correctional Institution PAQ states the facility monitors the conduct or treatment of inmates or staff who reported sexual abuse and of inmates who were reported to have suffered sexual abuse to see if there are any changes that may suggest possible retaliation by inmates or staff. The length of time that the facility monitors the conduct of treatment is 90 days. The facility acts promptly to remedy any such retaliation. The agency/facility continues such monitoring beyond 90 days if the initial monitoring indicates a continuing need. In the past 12 months, the facility has had zero incidents of retaliation.

Nebraska Department of Correctional Services, Sexual Assault/Abuse Policy 203.11, page 23-24, section CC. 3., states, “For at least 90 days following a report of sexual assault/abuse, the agency shall monitor the conduct and treatment of inmates or staff who report sexual assault/abuse and of inmates who were reported to have suffered sexual assault/abuse to determine if there are changes that may suggest possible retaliation by inmates or team members. Immediate action will be taken to remedy any retaliation. The facility will continue monitoring beyond 90 days if the initial monitoring indicates a continuing need.

a. Items that should be monitored include any inmate disciplinary reports, housing or program changes or negative performance reviews or reassignments of staff.

b. The facility PREA compliance manager or captain/PREA coordinator will make periodic status checks to determine if retaliation is being perpetrated against or perceived by inmates or staff. With the approval of the warden, the PREA compliance manager may designate up to three management positions (Unit Manager, Lieutenant or above) to assist with retaliation monitoring. Allegations or indications of retaliation will be reviewed and documented. Appropriate action will be taken in the event of confirmed retaliation against inmates or staff.”

Through such reviews the facility meets the standard requirements.

Interviews:

1. Warden

The interview with the Warden demonstrated protective custody is granted when requested. The Warden stated the facility does not utilize special management housing for more than 21 days and he believes the facility is large enough a victim could be housed in a living unit where they feel safe. In addition, the Warden stated state facility Warden’s work together to ensure victims feel safe where they are housed and would transfer victims to other state facilities if needed.

(a) The Tecumseh State Correctional Institution PAQ states the agency has a policy prohibiting the placement of inmates who allege to have suffered sexual abuse in involuntary segregated housing unless an assessment of all available alternatives has been made and a determination has been made that there is no available alternative means of separation from likely abusers. The number of inmates who alleged to have suffered sexual abuse who were held in involuntary segregated housing in the past 12 months for one to 24 hours awaiting completion of assessment was zero.

Nebraska Department of Correctional Services, Sexual Assault/Abuse Policy 203.11, page 16-17, section R. 1-3, state,

1. Inmates at high risk for sexual victimization and those alleged to have suffered sexual assault/abuse shall not be placed in involuntary restrictive housing unless an assessment of all available alternatives has been conducted and a determination has been made there is no available alternative means of separation from likely abusers.

If unable to conduct this assessment immediately, the inmate may be held in involuntary restrictive housing (immediate segregation) for less than 24 hours while the assessment is completed.

	<p>2. Inmates who remain in restrictive housing for this purpose shall: Have access to programs, privileges, education and work opportunities to the extent possible.</p> <p>a. The Criminal Investigator stated he reviews the report, offers a SANE if applicable, ensures both the victim and aggressor are reassessed and separated, ensures the scene is secured, gathers documentation involved in the incident and opens a preliminary investigation.

The interview with the PREA Coordinator demonstrated she keeps in contact with and has regular meetings with the agency criminal investigators and the Nebraska State Patrol to stay informed on sexual abuse investigation status.

Site Observation:

Review of investigations by utilizing the PREA Audit - Adult Prisons & Jails Documentation Review - Investigations template demonstrated 11 of 11 investigations reviewed had all areas of the investigation requirements included in the investigation documentation.

(a-b) The Tecumseh State Correctional Institution PAQ states the agency/facility has a policy related to criminal and administrative agency investigations.

Nebraska Department of Correctional Services, Sexual Assault/Abuse Policy 203.11, page 24, section EE., states, "NDCS shall ensure that an administrative or criminal investigation is completed for all allegations of sexual assault/abuse and sexual harassment, including third party and anonymous reports, in a prompt, thorough and objective manner. Any outside entities responsible for conducting administrative or criminal investigations of sexual assault/abuse shall have in place a policy governing

The facility provided extensive documentation demonstrating the agency PREA Coordinator trained the appropriate facility personnel on reporting to victims of a sexual abuse incident. The facility provided curriculum training and the signed staff training roster.

Post audit the agency provided a memorandum from the PREA Coordinator addressed to the PREA Auditor with the following sustainable action plan.

- When conducting notifications during an investigation the victim will be notified of the removal from staff member who is identified as the aggressor. This will be documented on the notification form and in the retaliation monitoring.

- After review of the investigation and when the facility is notified of the investigation findings. The compliance manager will ensure the notification form is being completed through the investigation and will notify the victim within in 2 weeks of being informed of investigation findings.

(a) The Tecumseh State Correctional Institution PAQ states the agency has a policy requiring that any inmate who alleges that he or she suffered sexual abuse in an agency facility is informed, verbally or in writing, as to whether the allegation has been determined to be substantiated, unsubstantiated, or unfounded following an investigation by the agency. The number of criminal and/or administrative investigations of alleged inmate sexual abuse that were completed by the agency/facility in the past 12 months was three. Of the alleged sexual abuse investigations that were completed in the past 12 months, the number of inmates who were notified, verbally or in writing, of the results of the investigation was three.

(b) The Tecumseh State Correctional Institution PAQ states if an outside entity conducts such investigations, the agency requests the relevant information from the investigative entity to inform the Inmate as to the outcome of the investigation. 1. Tecumseh State Correctional Institution PAQ
2. Nebraska Department of Correctional Services, Sexual Assault/Abuse Policy 203.11, dated 7.31.2024

Interviews:

1. Warden

The interview with the Warden demonstrated that any contractor or volunteer involved in a sexual abuse incident would be reported to law enforcement, the agency in which the volunteer or contractor works with, applicable licensing agency and a notification email would be circulated to ensure the person is no longer allowed on any Nebraska Department of Correctional Services facility and or have further contact with inmates.

Site Observation:

During the last audit cycle, the facility did not have any volunteers or contractors subject to disciplinary action due to violating sexual abuse or sexual harassment policies.

(a) The Tecumseh State Correctional Institution PAQ states agency policy requires that any contractor or volunteer who engages in sexual abuse be reported to law enforcement agencies, unless the activity was clearly not criminal, and to relevant licensing bodies. Agency policy requires that any contractor or volunteer who engages in sexual abuse be prohibited from contact with inmates. In the past 12 months, there have been zero contractors or volunteers reported to law enforcement or relevant licensing bodies for engaging in sexual abuse of inmates.

	<p>Nebraska Department of Correctional Services, Sexual Assault/Abuse Policy 203.11, page 28, section II., states, “Any contractor or volunteer who engages in sexual assault/abuse shall be prohibited from contact with inmates and shall be reported to law enforcement agencies, unless the activity was clearly not criminal, and to relevant licensing bodies. Inmates shall be subject to disciplinary sanctions pursuant to a formal disciplinary process following an administrative finding the inmate engaged in inmate-on inmate sexual assault/abuse/assault or sexual harassment or following a criminal finding of guilt for inmate-on-inmate sexual abuse/assault."

(d) The Tecumseh State Correctional Institution PAQ states the facility offers therapy, counseling, or other interventions designed to address and correct the underlying reasons or motivations for abuse. The facility offers therapy, counseling, or other interventions designed to address and correct the underlying reasons or motivations for abuse, the facility considers whether to require the offending inmate to participate in such interventions as a condition of access to programming or other benefits.

Nebraska Department of Correctional Services, Sexual Assault/Abuse Policy 203.11, page 29, section JJ. 4., states, "If the facility offers therapy, counseling or other interventions designed to address and correct underlying reasons or motivations for the abuse, the facility shall consider whether to require the offending inmate to participate in such interventions as a condition of access to programming or other benefits. (f) The Tecumseh State Correctional Institution PAQ states the agency prohibits disciplinary action for a report of sexual abuse made in good faith based upon a reasonable belief that the alleged conduct occurred, even if an investigation does not establish evidence sufficient to substantiate the allegation.

Nebraska Department of Correctional Services, Sexual Assault/Abuse Policy 203.11, page 29, section JJ. 6., states, "For the purpose of disciplinary action, a report of sexual assault/abuse or sexual harassment made in good faith based upon a reasonable belief the alleged conduct occurred shall not constitute falsely reporting an incident or lying, even if an investigation does not establish evidence sufficient to substantiate the allegation."

(g) The Tecumseh State Correctional Institution PAQ states the agency prohibits all sexual activity between inmates. If the agency prohibits all sexual activity between inmates and disciplines inmates for such activity, the agency deems such activity to constitute sexual abuse only if it determines that the activity is coerced.

Nebraska Department of Correctional Services, Sexual Assault/Abuse Policy 203.11, page 29, section JJ. 7., states, "While NDCS does prohibit all sexual activity between inmates, such activity, when it occurs, will not constitute sexual abuse if it is determined the activity is consensual and has not been coerced."
