WEC	190	125	152.00%	100	190.00%
Total	5872	5075	115.70%	4059	144.67%

Demographic records include *all individuals who passed through NDCS custody* during the quarter. This includes those who were not physically present at a facility during the quarter, i.e., those awaiting court dates in a non-NDCS facility or in an outside hospital. Institutional information includes only those who were physically present at a facility during the quarter. Discrepancies in **Average Daily Population (ADP)** totals are due to the rounding of individual statistics.
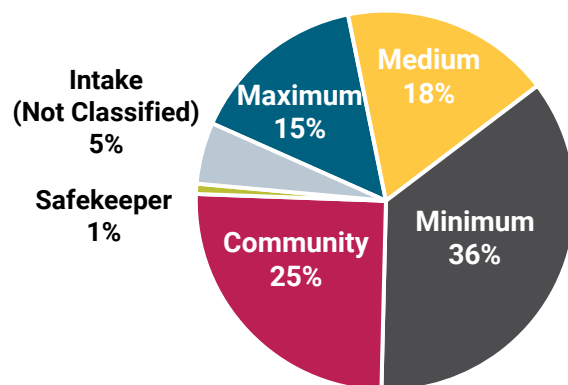

ADP by Race/Ethnicity

Black 28%
Hispanic/Latino 16%
American/Alaskan Native 5%
Other 3%
White 48%

Other includes Asian, Hawaiian/Pacific Islander, Other, and unavailable

DEPT OF CORRECTIONAL SERVICES

Releases

NDCS community corrections facilities include Community Corrections Center – Omaha (CCC-O) and Community Corrections Center – Lincoln (CCC-L).

Releasing from a community corrections center enhances successful reentry.
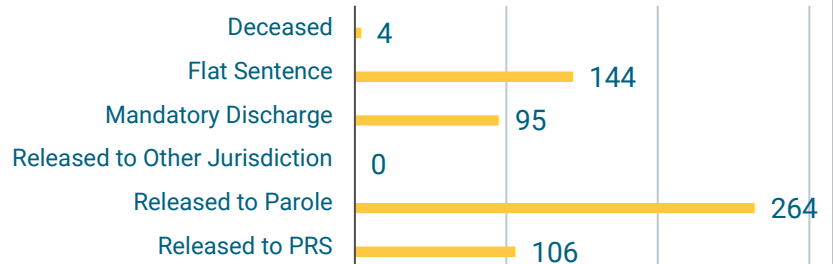

In Q4 of FY24, **384** *releases spent time at* **community corrections**.

Transitions Through Community Corrections Prior to Release by Type

Previously Housed at CCL or CCO **21%**

Released from CCL or CCO **35%**

Not Appropriate for CCC **44%**
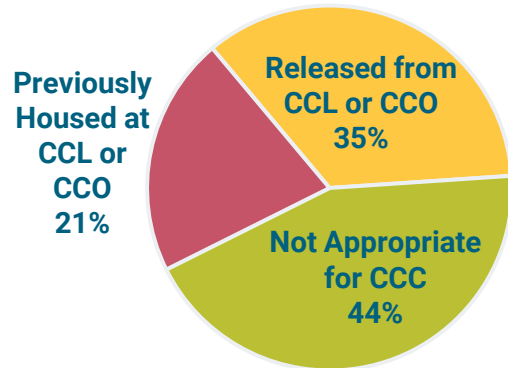

Recidivism is calculated based on returns to NDCS custody within three years of an individual's release. For example, a person is considered to have recidivated if they were released in FY2020 and returned any time between then and the end of FY2023.

Quarterly Releases

Release Type	Count
Deceased	4
Flat Sentence	144
Mandatory Discharge	95
Released to Other Jurisdiction	0
Released to Parole	264
Released to PRS	106

3-Year Recidivism - Totals by Year

Year	Recidivism
2012	30.07%
2013	31.35%
2014	31.77%
2015	27.40%
2016	30.25%
2017	31.07%
2018	30.15%
2019	29.79%
2020	28.42%
2021	28.47%

Returns to NDCS Custody - Parole Revocations

Parole Revocations by Month and Type

Legend: Technical ····· Laws
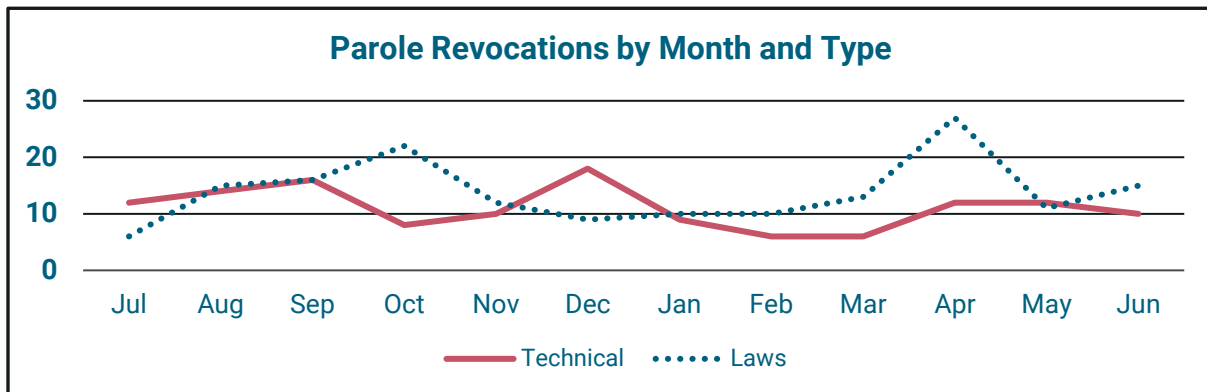

Reasons for Revocation by Quarter

- 39% Technical Violations (No Laws)
- 61% Laws Violations

→ Laws Violations

Laws Violations: Charge Type and Category*

Legend: ■ Felony ■ Misdemeanor

Categories: Assault, Burglary, Drugs, Fraud, Homicide, Motor Vehicle, Robbery, Sex Offense, Theft, Weapons, Other
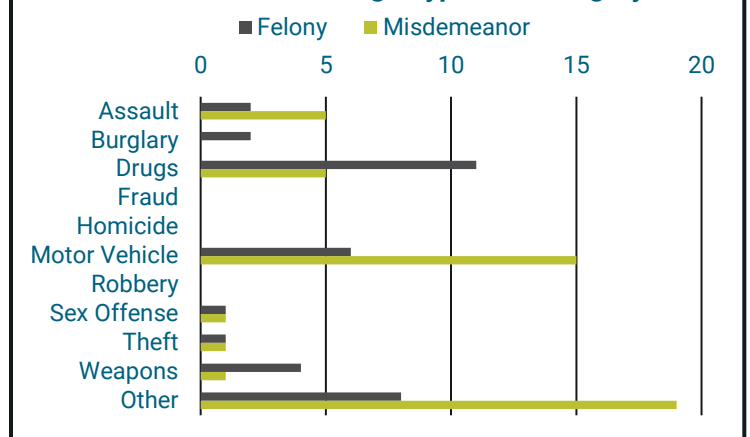

Note: The total number of individuals returned on revocation during the quarter was 87. The total number of violations for the quarter is greater than 87, because some individuals returned on multiple violation types.
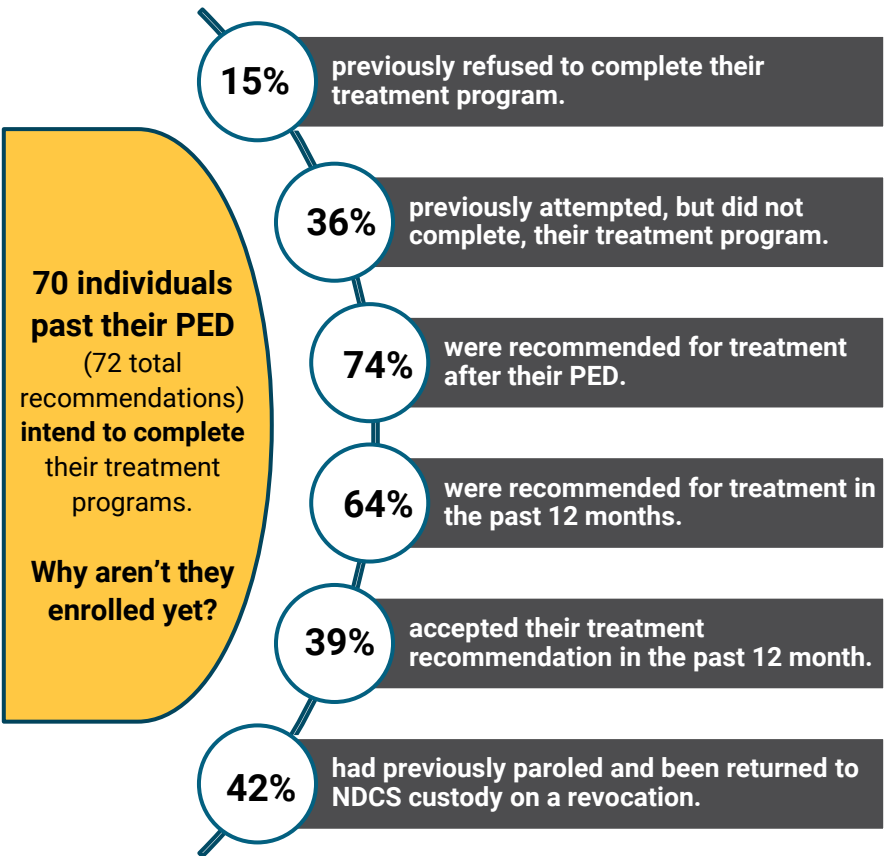

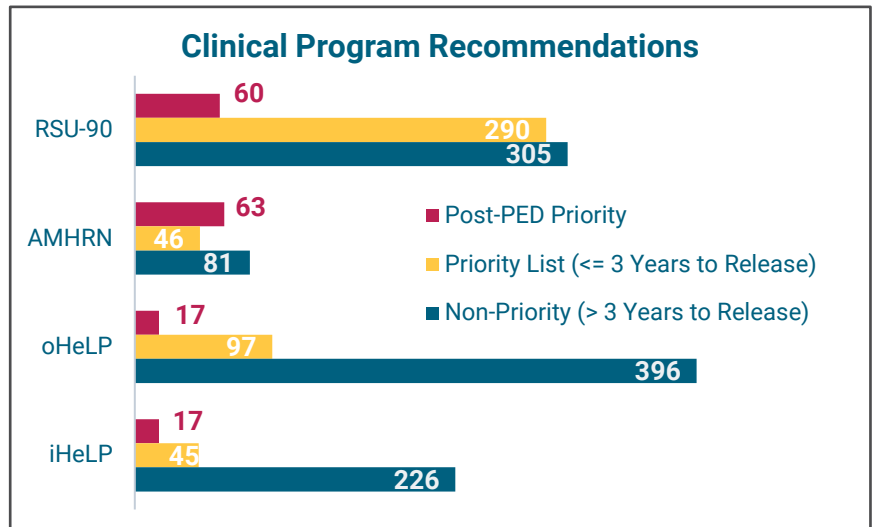

Clinical Treatment Recommendations

RSU-90 is a residential substance use treatment program lasting 90 days

AMHRN is an anger management program lasting 12 weeks

oHeLP is an outpatient sexual-offense specific treatment lasting 6 months

iHeLP is a residential sexual-offense specific program lasting 12-18 months

Clinical Program Recommendations

Program	Post-PED Priority	Priority List (<= 3 Years to Release)	Non-Priority (> 3 Years to Release)
RSU-90	60	290	305
AMHRN	63	46	81
oHeLP	17	97	396
iHeLP	17	45	226

70 individuals past their PED (72 total recommendations) **intend to complete** their treatment programs.

Why aren't they enrolled yet?

15% previously refused to complete their treatment program.

36% previously attempted, but did not complete, their treatment program.

74% were recommended for treatment after their PED.

64% were recommended for treatment in the past 12 months.

39% accepted their treatment recommendation in the past 12 month.

**42%** had previously paroled and been returned to NDCS custody on a revocation.

**60** individuals past their PED currently **refuse** treatment

Note: Date for clinical and non-clinical programming is accurate as of July 1, 2024. The number of recommendations does not equal the number of individuals recommended because some individuals had more than one recommendation.

Clinical Treatment Enrollments

**120** individuals are currently enrolled in clinical treatment programs

- 29%
- 26%

Why is someone enrolled past their PED?

Prior Refusal

An individual's participation has been delayed due to personal choice.

Updated Needs

An individual was assigned treatment later in their sentence due to institutional misconduct, parole revocations, etc.

Sentence Structure

An individual is not housed with NDCS long enough to complete programming.

Prior Unsuccess

An individual previously attempted a program but was unsuccessful.

Prior Completion

An individual may be re-assigned a program after successful completion due to persisting needs.

Note: Date for clinical and non-clinical programming is accurate as of July 1, 2024.

Clinical Treatment Completions
### (July 2023 through June 2024)

Successful Clinical Program Completions
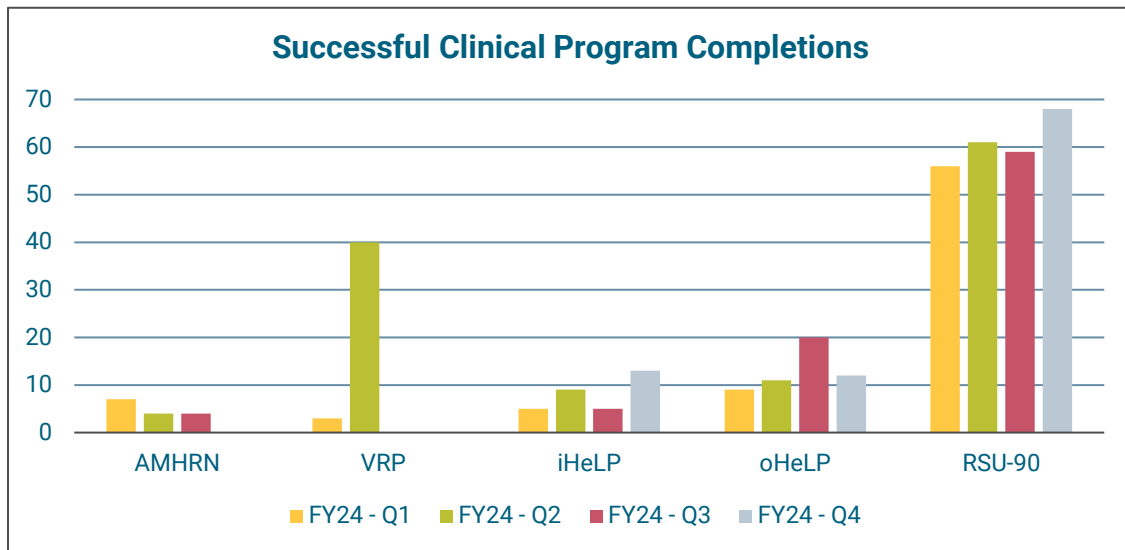

Note: VRP was discontinued in 2024. In the current and future reports, only historical program completions will be reported.

Types of Completions

Successful Completion
Individuals have successfully completed their recommended program have met each of their treatment goals.

Unsuccessful Outcomes
Individuals are unsuccessful if they demonstrate unsatisfactory performance and/or engage in behaviors that do not allow for their continued participation.

Withdrawn
Some individuals withdraw for reasons including medical or personal issues that prevent meaningful participation.
